

Aircraft crash kills two

A youthful Norwegian-born instructor for the Del Rio Flying Service and his Vietnamese student were killed instantly Thursday morning when their single-engine

Cessna T-41 trainer collided in mid-air with another T-41 north of the Castroville Airport. The craft plummeted to earth about 1/4 mile north of Highway 90.

One landed Safely

... but two men died in the crash of these two T-41 aircraft. The two occupants of the above plane died in the wreckage, while the pilot of the plane at left managed to land safely at the Castroville airport, although propeller and engine were damaged. [Photos by Joe Fohn]

LOBBYISTS

... this year came in for more flak when the Legislature met. They were the target of a bill that put some restraints on their efforts.

I have no objections to this, for I feel that many times lobbying gets completely out of hand.

But when we say "lobbyists" whom do we have in mind? Big companies mostly. But did you ever stop to think that many of the most effective lobbyists represent the everyday, average citizen through some type of association or group.

One of the most powerful lobbying group in the State of Texas is the 155,000 member Texas State Teachers Association. Their budget for 1973-74 stands at \$4,381,000 [that's right, over \$4 million].

Now, all of this money doesn't go into the lobbying effort, for TSTA has many other programs. But you can rest assured that plenty of dollars are spent in trying to influence legislation beneficial to the association and its members.

The peculiar thing to me is: I have heard many teachers and educators heartily disagree with some of the programs proposed by TSTA [like H.B. 946 which TSTA pushed, no shoves, this year as its proposal to change the Minimum Foundation Program], but it seems they are never in the crowds that are present when hearings are held on the bills.

I guess what I am trying to say is that many teachers allow themselves to be coerced into joining TSTA and then due to an absolute lack of interest they never voice any position on programs proposed by the guiding few who run the show.

For an instance: Do all teachers in Texas believe that the Texas Legislators should receive \$15,000 per year as is proposed in Constitutional Amendment Number 1? I doubt it seriously.

But their Association certainly is pushing the idea. In fact, it is urging them, all 155,000 [or 157,000 depending which story you read on page one of their latest newspaper], to vote for the Amendment.

Will those who disagree tell the powers of TSTA that fact? Probably not. Will they all vote for the Amendment because the powers are urging them to do so? More than likely not.

But they are being used as the strongest lobbying force in the state to tell Legislators, "We're for you, so you can be for us." No matter how they vote, the idea has already been planted: TSTA is for the legislators.

So, when we think of those "darn lobbyists" the next time, let's don't use all the cuss words on the big companies. Let's save a few for ourselves, for if we belong to any type of associations [and I do, for the Texas Press Association works diligently to influence legislation.] we're right in there "putting the pressure" on our legislators.

THINGS ARE LOOKING UP

... as far as the Hondo World Championship Corn Shucking Bee, set for 7 p.m. Saturday, August 25, is concerned. We have some additional contestants in the women's division.

The little things could help

Flood problems in northeastern area

After hearing a presentation by Henry Dominguez, who spoke for residents in the northeast section of Hondo, City Council Tuesday night voted to reduce the scale of its thinking on possible ways to alleviate flooding in that area.

The Council set Thursday, August 23, as the day to begin thinking on a smaller scale as to what steps can be taken now to help the people who live in that section and take the brunt of the flooding when hard rains hit the area.

A survey of the area will be made on that date by City Manager Fritz Leinweber, Soil Conservation District supervisor E. L. Abbott, Dominguez and other residents of the area. At the same time the group will look at a culvert which backs up water in the Kollman Oaks area. This problem was presented by John Seifert at the end of the Council meeting. He was not listed on the regular agenda.

They will look at such areas as the gravel pit, the lots immediately north of the pit, the area between 18th Street and the railroad track, the area between the railroad track and Highway 90, and other areas.

Dominguez pointed out that taking some two feet of dirt near the railway bridge and the highway would help a lot, Abbott agreed with him. They also pointed out that similar work can be done in the pit and remove areas that impede the flow of water when it pours through there. (The full text of Dominguez' report can be found on page 2.)

Mayor J. G. Barry pointed out that some lots just north of the gravel pit (or in that area) are so grown up with brush, etc. they should be cleaned out.

"Can the city go in there and clean them out?" was Dominguez' question.

"We can't find the owners and taxes on those lots haven't been paid since 1943," Barry replied.

County tax rate is same

Setting the 1974 tax rate at the same \$1.10 used this year, the Commissioners Court Monday indicated it would call for a public hearing soon on the proposed 1974 budget.

The tax rate includes: road and bridge fund and general fund, 74 cents; farm to market and lateral road fund, 30 cents; total operating funds, \$1.04; road and bridge sinking fund, .02 cents; hospital bond sinking fund, .04 cents; total tax rate, \$1.10. Tax rate for road district #3 set at 15 cents.

In other action the Court accepted a low bid of \$2,813.24 from Phil Phillips Ford of Devine on a 1973 pickup for the County Agent's office. Every dealer in the county submitted bids.

Low bid of \$6,000 was also accepted on a three wheel roller for Precinct 2. Bid was submitted by Ingram Manufacturing Co. of San Antonio.

It was announced that Floyd Koch, radio dispatcher at the County Sheriff's office, has retired due to illness, and the Court voted to retain him on the county rolls for five months.

Teacher reception

Local teachers, both new and old, won't get an apple Monday, but they will be welcomed by the Hondo Chamber of Commerce.

Chamber directors Monday will host the teachers and other school personnel at the annual Reception for the Teachers.

Each year the Chamber extends a hearty welcome to all teachers and personnel by treating them to coffee and donuts at the day of in-training sessions.

The reception will be held at 10 a.m. Monday at the McDowell School Cafeteria.

"But can the city go in and clean them up legally?"

The question was put to City Attorney Hugh Meyer and he said he thought the city could clean the lots under provisions of an ordinance now on the books.

Councilman Hilmer Mueller said: "There is no way we can stop all of the flooding, but we can help those residents by doing something about it."

In answer to a question asked by Councilman Bud Gwartney, Ab-

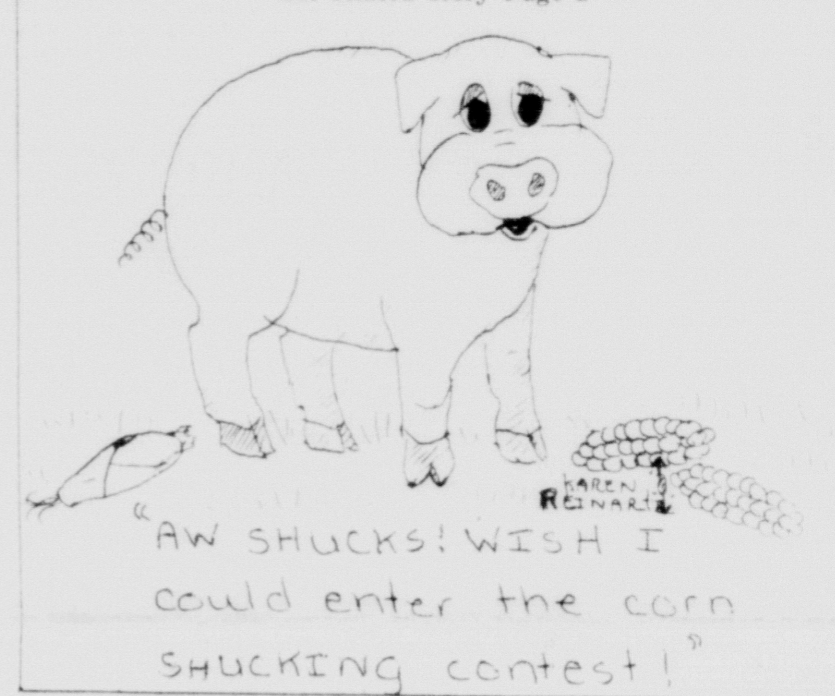

bott, who had presented facts on a survey conducted following the 1971 flood (parts of which will be described later), said he would go with Fritz and anyone else to make recommendations on the spot.

"Then, let's set a date and time and get started on this," said Councilman G. P. Chapman.

Thus, they will meet at 9 a.m. on August 23 and determine exactly what the city can do to at least

Gas shortage hits local industries

The words "gas shortage" haven't been in the news for a few months, but the spectre of insufficient supplies of natural gas reared its ugly head again last Friday.

Officials of the D'Hanis Brick and Tile Company were told Friday by the Texas Railroad Commission to curtail operations for an indefinite period. An exception was made for those ovens and kilns which contained products not yet finished.

John B. Nester, manager of the D'Hanis brick plant, said that Wednesday the plant is back in production on a reduced basis, and will continue to operate on a day-to-day basis.

The Railroad Commission, which regulates industrial gas usage, told Nester they would be meeting with the D'Hanis company in the near future to work out an allotment system, where the company would be guaranteed a certain amount of gas daily.

W. S. Porter, manager of the Hondo Universal Rundle plant, reported Wednesday that his firm

had been warned Monday of a curtailment, but that it had been listed Tuesday morning, "possibly on a temporary basis," according to Porter.

He said production has resumed on a status quo basis since Tuesday, but this is seen as strictly a day-to-day procedure. Another curtailment is seen by Porter as possible in the near future.

A letter was sent to State Representative John H. Poerner by officials of the local International Brotherhood of Operative Potters & Allied Workers Union #237 (see Letters to the Editor, page 2) which indicated the union's fears that a cutback might exceed one-half of the plant's capacity, causing the layoff of 60 to 70 men.

Porter's comments seem to indicate that the Commission and gas suppliers have not yet decided on an amount of curtailment, if any at all.

So the kilns are still burning in Hondo and D'Hanis, but no guarantees are being made yet on the future.

Vision screening set again

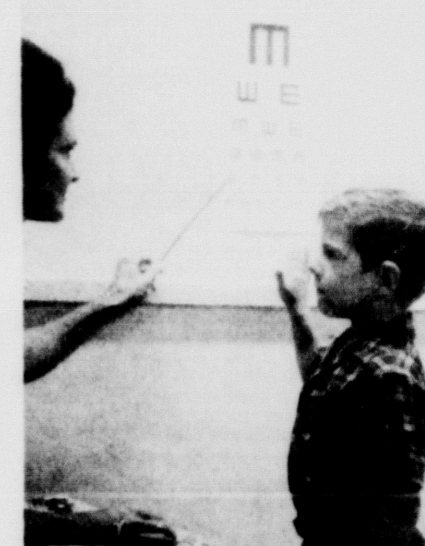

Vision screening tests will again be held on Friday, August 17, from 9:30 to 11:30 a.m. at the Methodist Church.

These tests for 5-year-old children of Hondo were held August 9 at the Methodist Church Educational by Hondo Home Demonstration Club members.

Volunteers trained by the Texas Society for the Prevention of Blindness screens youngsters for signs of visual problems.

Some childhood eye defects, if not corrected before the age of six, can lead to permanent loss of vision in the affected eye. All parents should bring their youngsters to the free screening program.

The screening project in Hondo is the latest in a network of such programs being carried out across Texas in cooperation with the Texas Society for the Prevention of Blindness. Since 1955, such volunteer projects have checked the eyes of thousands of Texas youngsters.

THE 'E' GAME -- David Boehme, son of Mr. and Mrs. Lester Boehme of Hondo is taking the Pre-school Vision Screening with Mrs. Ralph Gilliam, a Hondo Home Demonstration Club member. David is learning the "E" game, complete with "magic shoes" and a "topsy-turvy table."

Letters from the mailbox

Dear Editor:

My column for this week had included paragraphs about the young Gammelsaeter twin brothers and the exchange of pleasantries we had enjoyed when I met them in the Anvil Herald last month as they were placing their subscription to this newspaper "to keep up with Medina County, Texas."

They told me then that a trip to this coastal city was included in their plans. I invited them to visit my son John and me, which they promised to do. "We will talk about Norway and Texas, but mostly Texas," said one.

It was with sorrow that I received from the office the news of Steig's untimely death in last Thursday's tragic accident. I thought of the busy future they had so confidently looked forward to in their mutual dedication to flying. "Eventually, we plan to return to Norway to encourage other men in this service," they told me.

Steig has now returned to a final resting place in his beloved homeland, to where his body was accompanied by his devoted twin brother.

The brothers must have made many friends during their brief tour of duty in Hondo.

These friends, among whom I feel privileged to include myself, would want to express to the Gammelsaeter family the esteem in which the young men were held and the understanding sympathy which many of us feel.

In all sincerity,
Edna Gray McDade

Dear Editor,

This letter is in no way meant as an act of criticism.

You are the only editor I know around close that has the "guts" to speak up when you think something is wrong, praise those that are doing a fine job and still have that wonderful characteristic of saying I'm sorry when you know you are wrong.

Due to illness in the family and plain oversight on my part I know we received several copies of the paper after our subscription ran out for which I want to thank you.

Then in June I received a reminder which jolted my memory.

I sent a check for \$10.00 for a 3-year subscription on June 22, 1973 and it cleared the bank in Devine July 2, 1973.

Since I sent the check, I have not received my paper.

All I am asking is for you to please check your records and if you do not have a record of it please let me know so I can bring it by the office the next time I am in Hondo.

Thank you for a wonderful paper.

Yours Truly,
Mrs. Stanley Wiemers
Box 8
Yancey, Texas 78886

July 30, 1973

Dear Mr. Lawrence:

Miss Virginia Karen Jesse, daughter of Mr. and Mrs. Howard G. Jesse of your city, is a student at East Tennessee State University in my District.

I thought you would like to know that officials of the University are very pleased with her record and with her last quarter grade of 3.6. She has consistently improved in her studies, and we of the First District are mighty proud of her accomplishments.

She presently is at home at 706 Twentieth Street in Hondo for the summer vacation.

Sincerely,
James H. Guillen
U.S. Congressman

Hondo Anvil Herald
Hondo, Texas

Dear Sir:

Due to old age, eye trouble and many other afflictions, it will be necessary for me to discontinue taking the Herald.

Sincerely,
C. E. Fusselman

August 14, 1973

John Poerner, State Representative

Dear Mr. Poerner,

I am writing to you in behalf of local International Brotherhood of Operative Potters & Allied Workers Union #237 affiliated with AFL-CIO-CLC

in hopes that you will be able to help those of us employed at the Universal Rundle Corporation in Hondo.

Due to the present fuel shortage, the United Gas Company (supplied by Coastal State) has informed the Universal Rundle that their gas supply will be cut by at least half. This will of course affect the production rate, and personnel will be cut almost in half. Approximately 60 to 70 employees will be laid-off and working time for the others will be limited to 3 or 4 days a week.

I am sure you know that the Universal Rundle is Hondo's largest industry and that this cut-back will severely affect the whole community. We would appreciate any assistance that you could give us in this matter.

Sincerely yours,
T. A. Lopez

13 August 1973

Dear Mr. Lawrence:

As you know, a petition was circulated in May seeking support for a program of competitive sports for girls in Hondo High School. I want to thank you for your interest in this endeavor.

Because of the time element involved, (we wanted the letter to reach the Board of Education before their May meeting) only a relatively small portion of the citizens of Hondo had the opportunity to read the letter. The response was VERY good, and over 95% of the persons approached with the letter gave their approval and support by signing it. There were 152 signatures on the letter when it was read before the Board of Education.

Superintendent Kenneth Flory sent the following letter to me in reply to the letter of petition. I have thanked him for his interest and have obtained his permission to publish his letter so that all those who read the petition will know of the result.

Now, we look forward to a new school year. We wish for the continued success of our young men on the athletic fields. We also look forward to the future with the hope that

we may soon see our young ladies on the athletic fields and courts.

Who knows? Somewhere in Hondo High School there may be another Billie Jean King, or Althea Gibson, or Miki King, or even an Olga Korbut!

And even if there isn't, the girls here should still have the fun, the thrill, the experience and the education gained through competitive sports.

Sincerely,
Mrs. Eugen O. Reinhart

Dear Mrs. Reinhart:

I am writing you in response to your petition of May 8, 1973, requesting an athletic program for girls at Hondo High School.

Plans for next year are to call a meeting of interested girls in September for the purpose of determining how many students would like to actively participate in spring sports for girls. The areas of consideration at this time are tennis and volleyball.

Thank you for your interest in our program and for your participation in our meeting of May 8, 1973.

Sincerely,
Kenneth Flory

August 13, 1973

To all my neighbors in and around LaCoste:

Seventy years ago, my father and others of German and Alsatian descent, settled on the land at the new San Antonio Airport Site H area in Western Bexar County.

My father came here from Germany at the age of 9 years, with his mother and seven other children - they came to join his brother and father who had preceded him. Many hardships beset them. Grandfather died shortly after Grandmother arrived, and she was left in a strange country far from relatives or friends.

The family settled at Rio Medina, then as the children grew up some moved to the LaCoste-Castroville area. My parents, uncles and aunts worked hard to clear the land and build homes, doing most of the building by themselves. So much of

themselves went into the building. The wood burning fireplace, the well dug by hand, the rainwater tank, the molasses mill (neighbors came for miles to cook the good thick syrup), and the barns all still being used today. These things were built with love and the spirit of neighbor helping neighbor - not by developers who build for money.

This airport will destroy these beautiful small farms which are part of the American heritage, and displace not only the Alsatian-Americans, but also the Mexican American farmers. These are all families who have made it on their own - working as a family group, paying their taxes, enjoying their peace and quiet, and taking pride in their own small piece of God's good earth.

We are asking our neighbors to help us and come to our aid by writing to the City Councilmen of San Antonio and to their State Representatives, objecting to the arrogance of a few who will profit from this land maneuvering without one thought of the misery and sadness they will cause to the people whose homes they will destroy.

Most of us have sons and brothers who fought against this very thing in other parts of the world - imagine the bitterness and anger of having to defend their own homes against people who are using our tax money against us to take what is ours - and make us pay for what they want to put on our land.

Just as our grandfathers did - we are asking you, our neighbors, to come to our aid in time of trouble.

Agnes Echtle
Star Rt. 1, Box 41
LaCoste, Texas

Commissioner, Judge named ambassadors

County Judge Jerome Decker and County Commissioner Fred Bader, of Hondo, have been named Ambassadors to the second annual Texas Folklife Festival to be held September 6-9 at the University of Texas Institute of Texan Culture's HemisFair site in San Antonio.

In announcing the honor, O. T. Baker, festival manager, explained that Decker and Bader are two of 60 festival ambassadors in the state who are the direct contact between their community and the state festival, receiving all information on tickets, participation and activities.

Both officials will participate in the Hondo Championship Corn Shucking Bee August 25 sponsored by the Hondo Chamber of Commerce with help from the Hondo 4-H Club adult leaders and County Extension Agents Glenn Bragg, Wayne Scholtz and Gaye Bippert. Three division champions will be named: men, women and youth under 17.

The community of Hondo will host the exciting Corn Shuckin' bees at the Texas Folklife Festival, Sept. 6-9, one of a dozen special games and contests available to the public. Daily winners at the folklife festival will be selected to meet the Hondo champions in a Shuck-off Sunday, Sept. 9.

Other Medina County festival ambassadors are Mayor S. R. Malone and Joe E. Briscoe, Devine; and Charles L. Suehs, Castroville.

Over 40 Medina County residents will participate in the state festival involved in the Pioneer Log House Raising, directed by Arnold Griffin, Devine; the blacksmithing contests of Sherrille Stroud, Devine; the Pioneer Cane Mill operated by Clarence Wiemers, Yancey and Jerry Young, Devine, while the Alsatians of Castroville bring fine French cuisine to the festival's food fete.

LOTS OF WORK-It takes the combined efforts of many people to make a success of the giant St. Louis Day Celebration in Castroville each year. Pictured is Henry Lee Keller, general chairman of this year's festival, going over plans with the officers of St. Ann's Society, who play key roles in the massive kitchen operation on picnic day. Seated in front of Keller, from left to right are: Mrs. Eugenia Wright, society president Mrs. Ruth Lundy, Mrs. Ruth Tschirhart, and Mrs. Irene Hoog. This year's celebration will be held at Koenig Park on Sunday, August 19. That's this coming Sunday; so don't forget it.

Chamber Corner

By Lillian Porter, Exec. Secretary

Pledger Cate, who directs the activities of the South Texas Chamber of Commerce, dropped by last week to show examples of brochures and get the desires of Hondo Chamber directors on the new South Texas brochure.

The Hondo Chamber will be included in the new South Brochure and directors Monday selected a style that will provide for a picture and some copy.

Some 100,000 of these will be printed and will be distributed for three years which will include the Bi-Centennial Year in 1976.

New Book Covers

Terry Nira has brought the Chamber office a great number of U.S. Marine Corps book covers. Her father Gy/Sgt O. V. Nira, who is a recruiter at Pueblo, Colorado, sent these home with the family and asked that they be brought by this office. We appreciate them and thought the school children will like to use them.

Whistle Hydraulics has inquired about farm equipment dealers in this area for the purpose of trying to market some new equipment locally. We gave Mr. B. A. Whistle, president, a list of dealers.

A young lady writing her college thesis was in to get history and information on Hondo. She obtained most of it from our Hondo Fact Book which is published by Texas A&M University.

Requests for deer leases come in all the time, such as this week when we received a letter from Sheria A. Salge of Glen Ellyn, Illinois, and letters from San Antonio and San Marcos.

Long distance calls ranged from job calls, to deer lease calls, to calls checking on rodeo, finance companies and local businesses.

Brochures came in this week from Reno Nevada street maps, Amisted Dam, La Macarina Restaurant and El Mirador Resort Village.

Even Italy

We even had a letter from Italy, the country mind you, this week, Gastone Gavioli of Modena, Italy. Mr. Gavioli, who represents Rey Manufacturers and Distributors, said:

"We are quite interested in building up a new production center for our special building machines and equipments in your country and therefore we first applied to your Embassy in Italy, from where we got your estimate address."

He asked for information which we sent him and we certainly hope to hear from him soon.

Rentals got a big play this week as we had three requests, three rentals and eight referrals. We also had five other housing calls.

Maps and brochures and postcards were taken by 11 persons.

More about . . .

Sparks

Mrs. Ella Oefinger and Mrs. Eugen Reinhart have joined the three who already have said they will compete: Mrs. Fred [Snookie] Bader, Mrs. Glenn [Jo Lynn] Bragg and Mrs. Gaye Bippert.

Now, there must be others who are interested in having some good, old-time fun and at the same time spread the name of our town. So come on and enter this big event.

I talked to Mr. O. T. Baker, manager of the Texas Folklife Festival and he has assured me that we can get one of the big stages at the Festival on Sunday, September 9, when we stage the grand Corn Shucking Bee. He has just made a state-wide release on our event and it should appear in many papers throughout Texas in the next few days.

Other Attractions

As of Monday night we now have other attractions at the Corn Shucking Bee. Yep, that's right. The Hondo Art League voted Monday night to have some "vittles" there for all of us to eat. They plan on hot dogs, cup cakes and cold drinks.

Bud Gwartney has assured us there will be plenty of ice cream around and we can almost guarantee there will be other goodies for consumption at the fun-filled event.

Still More Entries

Glenn Bragg and Lillian Porter gave me these names Tuesday to add to the growing list of people who are going to "shuck corn." They include: Mrs. John [Margaret] Boone, Mrs. Christina Saathoff, Mrs. Cyril [Joyce] Van Damme and Mrs. John [Laura] Wentz.

COL. SCHMITT (left) . . . of Hondo pilot screening unit joins Air Force personnel inspecting wreckage of T-41 in which two men died.

Feed cost short course set

Discussions at the Combined Beef Cattle and Pasture-Forage Short Course at Texas A&M University August 20-21 will center on the most economic methods of feeding beef cattle to maximize reproduction and income.

ing beef cattle to maximize reproduction and income. The event will begin with registration at 7:45 a.m. on August 20 at the Ramada Inn in College Station.

A program concerned with reducing supplemental feed costs is certainly timely. The short course is designed around pastures, ranges, harvested forages and supplemental feeding.

Emphasis will be given to selection, production and feeding value of improved forages, high intensity-low frequency systems for harvesting rangeland, protein supplement alternatives, mineral supplements and methods of combining various forages for year round grazing systems.

Dr. W. C. McCormick, head of the Animal Science Department, Tifton, Georgia, will discuss factors affecting animal performance on bermudagrasses, including Coastal, Coastcross one and Alicia.

The producer's side of feeding the cow herd will be discussed by Texas cattlemen Wayne Hamilton of La Pryor, Bill Tullis of San Angelo and Percy Turner of Water Valley.

Chamber talks plans

Whipping through a long agenda, Hondo Chamber of Commerce directors Monday discussed wild game dinner, teacher reception, membership and various other subjects.

The teacher reception, covered in a separate story, will come up Monday at 10 a.m. at the McDowell School Cafeteria and all members are invited.

Bruce Foster accepted the chairmanship of the Wild Game Dinner and he will be assisted by all directors. Kenneth Flory will supervise the pre-dinner activities such as a dove hunt.

Larry Oefinger reported that he is working on re-organizing the Hondo Industrial Foundation and will probably make a trip to Austin next week to meet with Texas Industrial Commission spokesmen on this subject. He also is in the

planning stages of preparing an industrial facts brochure for the city.

It was suggested that the Chamber adopt a slogan for 1974 and suggestions are invited from the public. This slogan can be used in conjunction with the membership drive in November and throughout the year.

Tentative dates of September 25 (preferred date) or September 18 were set for an Estate Planning seminar the Chamber of Commerce will co-sponsor with Albert Rowlett.

Franklin Wiemers reported that the proposed sign which the Chamber hopes will prompt more people to shop in Hondo is almost ready and when permit and bonding plans are completed the sign will be ready to go up. John Poerner has agreed to the sign being placed on his property on Highway 90 east.

BAND LIKES HIM ... Jim Friddle, Manager of KRME, is shown with the plaque presented to him by the Hondo High School Band in appreciation for serving as announcer for the Band last year.

More about.....

Flood Problems

help alleviate the problem.

Previous studies of this problem, as presented by Abbott, had tried to cover the overall conditions caused by the flooding of Ball Waterhole Creek starting above the Kollman Oaks addition, through the northeast section of town and south of town to the sewage plant.

The scope of such a project naturally sent the cost of any solution soaring to astronomical figures. Abbott pointed out that:

- * a 300 foot wide vegetation channel three feet deep would cost some \$1,314,000 with more than \$700,000 of the cost going for land rights.

- * a 100 foot wide, eight foot deep, concrete channel which would funnel the water off faster would cost more than \$2,000,000.

These figures, and the fact that damage reports which averaged out only about \$20,000 annually have brought the federal government to the conclusion that it cannot provide any of the funds, have stymied the City of Hondo.

So, on Tuesday night after an interchange of dialogue on the subject, the Council voted to reduce the scale on which it had been considering the problem and see if some smaller projects can be accomplished to help alleviate the problem.

Shofner promoted

Patrolman Jim Shofner, a three-year member of the Hondo Police Department, is today (Thursday) the new Chief of Police.

City Council promoted Shofner to the position Tuesday night after accepting the resignation of Jerry Williamson. Shofner will serve the regular three month probationary period according to city personnel regulations.

In other personnel action, the Council voted to elevate Gene Harrison to the permanent position of Manager of the Electric System. His probationary period will be up August 22.

Hondo Anvil Herald, Thurs., Aug. 16, 1973, Pg 3

More about . . . Plane Crash

T-41 program since its beginning in 1965.

Official reconstructions of the circumstances of the crash were still incomplete at press time, but both planes were apparently in the landing pattern simultaneously at the time of the collision.

The T-41 Flight Screening Program has been in operation at Hondo Airbase only since May 17. It was consolidated in Hondo from several similar programs which were located across the nation.

The T-41 program is designed to screen pilot trainees from the Medina AFB Officer Training School for the basic skills necessary to operate an Air Force airplane.

Pilot trainees are screened by civilian instructors employed by the Del Rio Flying Service, a civilian contractor.

A similar program, called the Security Assistance Program, screens pilot trainees from allied nations such as South Vietnam, Iran, and Saudi Arabia. This program is in operation out of the Castroville airport, but it uses Del Rio Flying Service instructors and the same airplanes as does the Air Force program.

D'Hanis School Calendar announced

D'Hanis Superintendent of Schools Roy Kile has announced the 1973-74 School Calendar for the D'Hanis Independent School District.

Registration of students will be held Friday morning, August 17.

Freshmen will register at 10 a.m., sophomores at 10:30, juniors at 11, and seniors at 11:30.

OFFICERS INSPECT DAMAGE ... to the surviving T-41 trainer at Castroville Airport. General Guy Hairston [center] sees collision damage pointed out by mechanic Clyde Modgling [at left, beneath wing]. Hairston's aide crouches at right.

Castroville bank chosen

Selection of the Castroville State Bank as official depository for the next two years was made at a special July 31 meeting of the Hondo Independent School District Board.

"After careful analysis of bids submitted by five banks," Supt. Kenneth Flory said "the Board selected the Castroville State Bank as the official depository from September 1, 1973 through August 31, 1975."

According to the Castroville State Bank bid the school will receive 5 percent for CD's up to 90 days and 5 1/2 percent for CD's over 90 days. "Other bids offered less than this," Flory said.

interest, penalties, and costs; subject, however, to the right of redemption, the defendants or any person having an interest therein, to redeem the said property, or their interest therein, at any time within two years from the date of sale in the manner provided by law, and subject to any other and further rights to which the defendants or anyone interested therein may be entitled, under the provisions of law. Said sale to be made by me to satisfy the judgment rendered in the above styled and numbered cause, together with interest, penalties and costs of suit, and the proceeds of said sale to be applied to the satisfaction thereof, and the remainder, if any, to be applied as the law directs.

Dated at Hondo, Texas, this the 5th day of July, 1973.

Charles J. Hitzfelder, Sheriff, Medina County, Texas, by Floyd Koch, Deputy.

Pub.: August 2, 9, 16, 1973

Alejandro Ramirez dies at age 76

Alejandro Ramirez, 76, died August 8, 1973 in Medina Memorial Hospital in Hondo.
Born February 28, 1897 in Laredo, Texas, he had lived over 70 years in Hondo. He was a retired farmer, and a lifelong member of the Catholic Church.
Mr. Ramirez is preceded in death by his father and mother, Agapito Ramirez and Nieves Hernandez.
He is survived by his wife, Catalina Mendez Ramirez; two sons, Domingo Ramirez of Dallas and Agapito Ramirez of Hondo; eight grandchildren, and ten great-grandchildren.
Rosary was recited August 9 in the Guinn-Horger Chapel in Hondo. Funeral Mass was celebrated August 10 in St.

John's Catholic Church, with Fr. George Steubben, pastor of St. John's, presiding at both Rosary and Mass.
Interment was in Guadalupe Cemetery.
Pallbearers were Felix Cuellar, Pasqual Gonzales, Angel DeLaFuente, Bensalado Martinez, David Diaz and Pablo Pena.
Funeral arrangements were by Guinn-Horger Funeral Home.

Zinsmeyer attends camp

FT. RILEY, KAN. -- Cadet John H. Zinsmeyer, son of Mr. and Mrs. Jack L. Zinsmeyer, D'Hanis, received practical work in military leadership at the Army Reserve Officers' Training Corps Advanced Summer Camp, Ft. Riley, from June 16 - July 27.

Cadet Zinsmeyer, a student at Texas A&M University, College Station, was one of some 7,200 students who attended Army ROTC training at five installations in the U. S.

The ROTC Advanced Camp provides an opportunity for cadets to develop and demonstrate leadership capabilities in a field training environment. The instruction supplements theories and concepts which cadets learned in the classroom on campus.

Cadets normally attend the training between their junior and senior years. This enables them to better comprehend their final year of classroom work and to function as cadet leaders on campus.

Reports for duty

SANTA ANA, CALIF. -- Marine Pfc. Juan M. Alvarez, son of Mr. and Mrs. Pablo Alvarez of 2005 Ave. K, Hondo, has reported for duty at the Marine Corps Air Station here.

NOW'S THE TIME FOR ACTION, says Peyton [Bubba] Laughinghouse as he drives in a run at the Hermann Sons Youth Summer Camp at Comfort, Texas. Counselor Pat Vinyard of Floresville and Catcher Steve Kocurek of San Antonio watch the long drive. Bubba is one of 2,000 youths to attend the lodge camp this summer. He is the son of Mr. and Mrs. Bill Laughinghouse of Hondo.

Wendland completes course

FT. LEAVENWORTH, KAN. -- Army Reserve Lieutenant Colonel James B. Wendland, son of Mr. and Mrs. Alex G. Wendland, Route 1, Hondo, completed the final phase of the command and general staff officer course

Kierum takes to the sea

USS CAYUGA -- Mike D. Kierum, son of Mr. and Mrs. Arnold A. Kierum, Sr. of 1300 Windy Knoll, Devine, has reported aboard this tank landing ship in Long Beach, California, for his midshipman training cruise.

He attends the University of Texas at Austin under the Naval Reserve Officers Training Corps program.

The cruise is designed to give midshipmen at-sea training in preparation for the duties they will perform when they become commissioned officers.

at the U.S. Army Command and General Staff College, Ft. Leavenworth.

The course is organized into nine phases and given over a five-year period either by correspondence or through the U.S. Army Reserve School System. The final two-week phase is conducted at Ft. Leavenworth.

The training is designed to prepare selected officers

for responsible positions at division and support command levels. It also provides them with an understanding of the duties of corps and field Army General staff officers, and of Army participation in joint and combined operations.

He and his wife, Genevieve, live at 12200 Tilbury Lane, Boogie, Md.

Coyle W. Barnes completes training at Ft. Polk

Coyle W. Barnes, who was inducted into the U.S. Army March 26, 1973 in San Antonio, completed his basic training at Fort Polk, Louisiana.

From there he was transferred to Fort Sam Houston to attend two months of medic school for which he received a diploma on July 19.

Barnes arrived at his home the same day for a

nineteen-days leave with his parents, Mr. and Mrs. E. C. Barnes, at 510 Monticello Circle, Devine.

He will report for duty on Tuesday, August 7, at Fort Hood, where he will serve with the First Cavalry Division.

Schweitzer graduates

BILOXI, MISS. -- Airman Charles C. Schweitzer, son of Mr. and Mrs. Sam Schweitzer of Devine, has graduated at Keesler AFB, Mississippi from the Air Training Command's basic course for electronic specialists.

The airman, who received instruction in communications and electronics systems principles, is remaining at Keesler for advanced training as a radio equipment repairman.

Airman Schweitzer, a 1969 graduate of Devine High School, attended San Antonio Junior College.

His wife, Carol, is the daughter of Mr. and Mrs. William R. Mays of Natalia.

Services held for Jose G. Contreras

Services for Jose G. Contreras, 32, of Bandera were held in St. John's Catholic Church in Hondo August 8, 1973.

He was a native of Hondo, having lived in Bandera 14 years. He was employed as a butcher. He was a member of the Catholic Church.

Born June 17, 1941, he died in San Antonio on August 6.

He is survived by his wife, Mrs. Irma Contreras of Bandera; three daughters, Rosa Linda, Josie, and Diana Contreras, also of Bandera; two brothers, Epiphano of Hondo and Agapito of D'Hanis; eight sisters, Juana, Felice, Alberta, and Rosa Maria Contreras of Hondo, Mrs. Jesse (Mary) Cardenas of Bandera, Mrs. Juan (Lupe) Cardenas of Bandera,

Mrs. Jose (Antonia) Guajardo of Hondo, and Mrs. Lupe (Mary) DeLeon of Hondo; his father and mother, Gilberto Contreras and Augustina Garcia of Hondo; and his grandfather, Vicente Contreras, of Hondo.

Rosary was recited in the home of his father at 1904 16th St., Hondo, on August 8, with funeral Mass on August 9. Father George Steubben, pastor of St. John's, officiated at both the rosary and Mass.

Interment was in Oakwood Cemetery, Hondo.

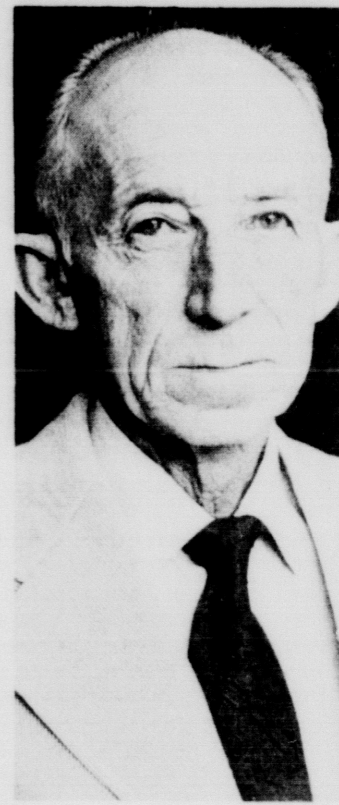

Serving as pallbearers were Jesse Cardenas, Juan Cardenas, Joe Guajardo, Juan Guajardo, Alfredo Garcia and Chito Garcia. Funeral arrangements were by Guinn-Horger Funeral Home of Hondo.

L.E. Gross is named director

HOUSTON -- L. E. (Red) Gross, Jr., General Manager of Medina Electric Cooperative, Inc., Hondo, was elected to the Board of Directors of the State Association of Texas Electric Cooperatives during the Organization's 33rd Annual Membership Meeting in Houston.

Gross has served as General Manager of Medina Electric Cooperative, Inc., since 1968. Prior to his management position, Gross served as an engineer with the south Texas system.

The new director will represent cooperatives throughout the South Texas, Gulf Coast and Rio Grande Valley area.

L. E. [Red] Gross, Jr.

RECEIVES BOOK--Lottie Maw, Librarian of Hondo Public Library, displays the "World Who's Who of Science". A gift from the Western Publishing Company of Racine, Wisconsin, the book's retail value would be \$60.

Good fire equipment costs

It wasn't ever an easy job to be a Hondo fireman. But few Hondoans today realize just how hard it was to get a department organized back in 1909.

There was no such thing in a town the size of Hondo as a fire truck, or even fire wagon. Automobiles were a new development, and even the venerable Model T had not yet been introduced.

So when the newly organized Hondo Volunteer Fire Company No. 1 got together to discuss their firefighting needs, they went to Holloway Brothers with the specifications. This was in July of 1909.

By January 20 of 1910, the Anvil Herald ran this report:

"The Holloway Bros. have finished a hook and ladder wagon for the Hondo Fire Department that will approve an effective firefighting machine in case it is ever needed (optimists they were back then).

"It consists of a series of ladders sufficient to mount the top of any building in town, a pair of hooks, a series of chemical fire extinguishers, water buckets, picks, axes, crow-bars, etc.

"All is loaded on the frame of a light Studebaker wagon so arranged as to be pulled by hand wherever it is wanted."

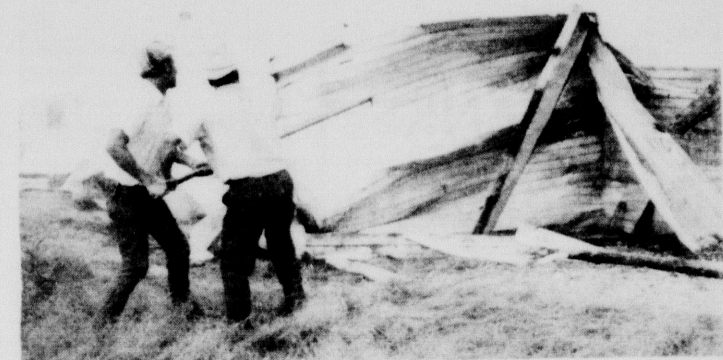

Hand-pulled - some changes have indeed been seen in the Hondo Volunteer Fire Department.

But it takes money to keep a fire department, especially a volunteer company, abreast of the latest fire safety developments.

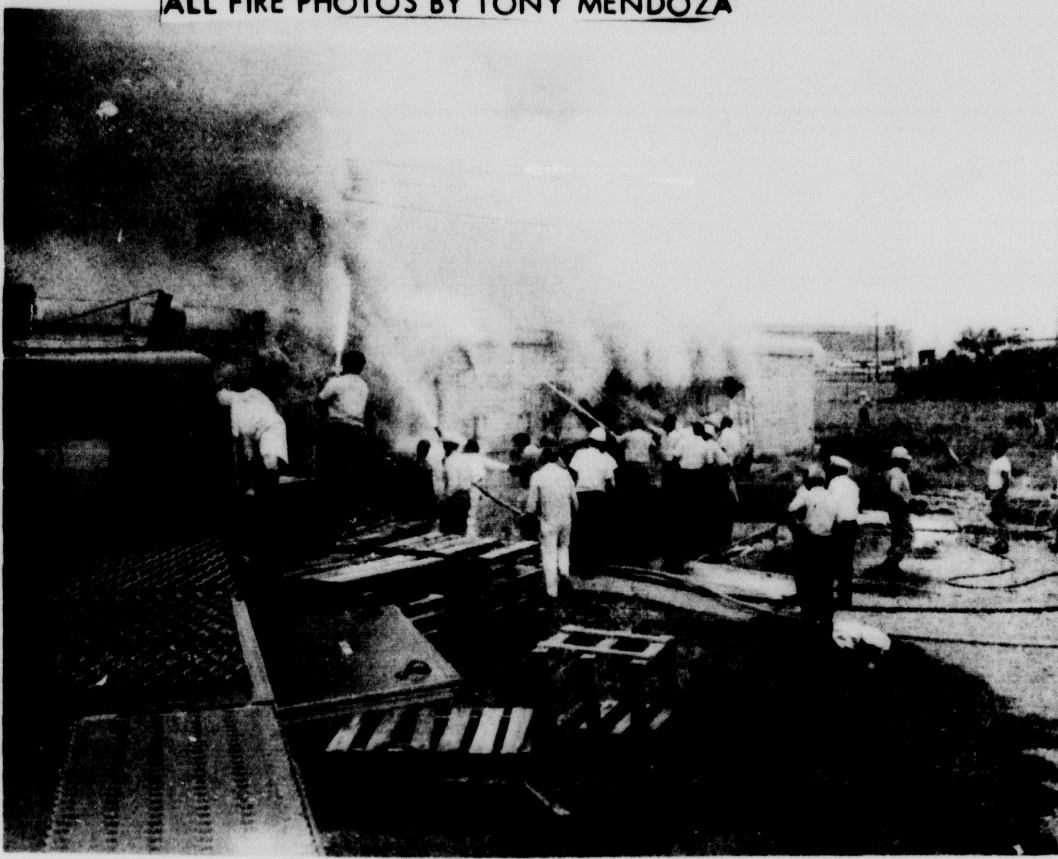

One of the best and most painless means of

supporting your Volunteer Fire Department is to attend the annual Street Dance and Carnival Saturday night.

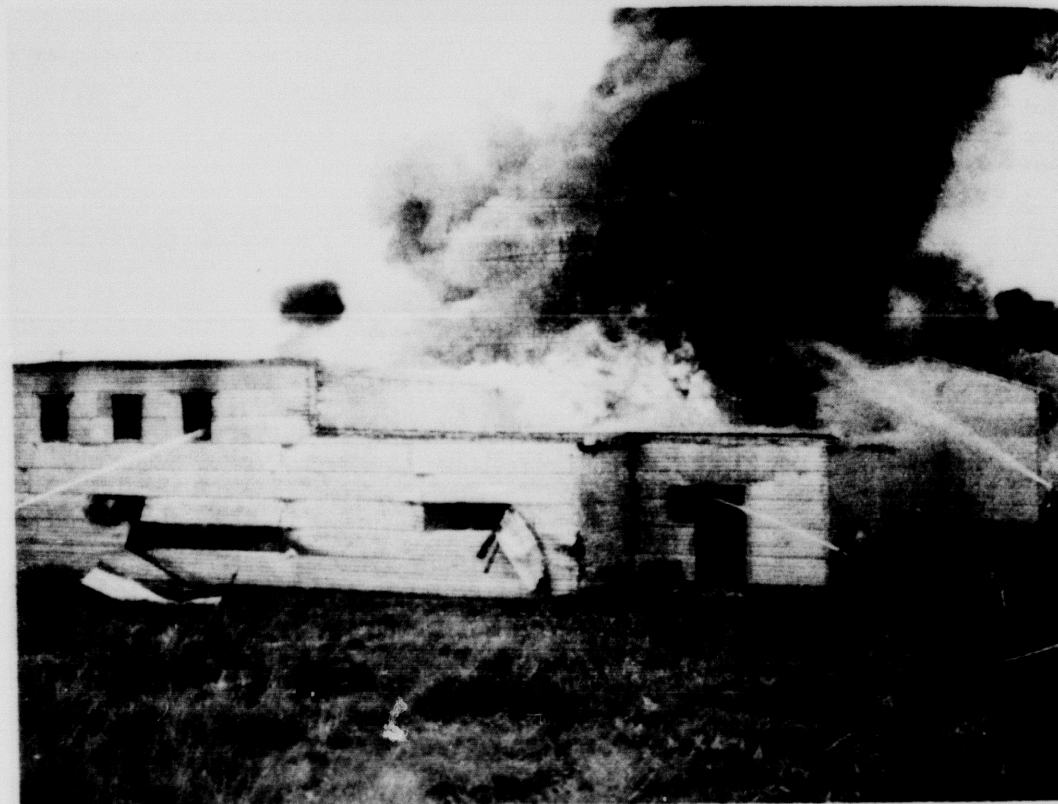

Come early, stay late, and spend some money.

POTTERY WAREHOUSE WALLS COLLAPSE

FIREMEN ATTACK BLAZE

WAREHOUSE WAS ENGULFED IN FLAMES

Firemen combine hundreds of years of experience

Hundreds of years of experience in fire fighting and prevention are available right here in Hondo, every time the alarm sounds.

Among the 50 firemen on duty, without counting the retired firemen who offer advice and backup aid, are hundreds of collective years of fighting grassfires, house fires and industrial fires in and around Hondo.

This experience is reinforced yearly by formal education at the Texas Firemen's workshop held at Texas A&M University. Hondo has sent representatives to this school each summer for many years. In the summer of 1973, the Hondo Volunteer Fire Department was represented at College Station by Tim Huesser, Bob Zuberbuehler and A. T. Dale.

These men meet once each Thursday at the firehouse on Avenue K. Their other meetings might come at any time of the day or night, frequently in front of a blazing building or acres of smoking pastureland.

The weather is never quite right for a fire... it seems there is either sweltering heat in summer,

or a breeze to fan the flames. In winter, the water seems to drench the icy firemen more than it does the flames.

HONDO VOLUNTEER FIRE DEPT.

Contreras death ruled due to foul play

GROUND TURNED TO MUD AT FIRE SITE

Bandera County Sheriff's Department officials now say that the death of Jose Contreras, 32, who died August 6 in a San Antonio hospital, was the result of foul play.

A Bandera Sheriff's officer reported that an autopsy was ordered in the death of Contreras, but that as of Wednesday morning the results of that autopsy had not yet been received from Dr. Ruben Santos, Bexar County Medical Examiner.

However, a reconstruction of the events of August 4 indicates that the young Hondo native's death was the result of a beating, and not an accident as reported earlier.

According to the Sheriff's department, Contreras was in a tavern known as the Copper Lantern on Medina Lake on the night of Saturday, August 4.

There, he was involved in a fight and was badly beaten about the head. He was taken home by his brother-in-law.

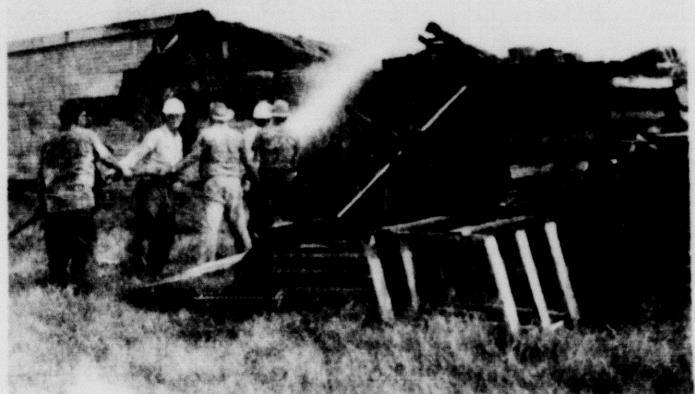

The next day, Sunday, Contreras complained of head pains and was taken to Sid Peterson Hospital in Kerrville. From there he was transferred to a San Antonio hospital in critical condition, where he underwent surgery. He died Monday evening, August 6.

Sheriff's officials say they were not advised of the case until Monday, shortly before Contreras' death. They said several witnesses were present at the time of the fight, but that they were reluctant to answer questions concerning what they had seen.

As questioning continued yesterday, the Sheriff's department indicated they expect to make an arrest in the case before the end of the week.

CRATES BURNED STUBBORNLY

VA questions and answers

Q - As a service disabled veteran, I have Veterans Administration Mortgage Life Insurance coverage on my specially adapted home. How long will this coverage last?

A - Until the mortgage has been paid off, the home is sold, or until you reach age 70 unless you die earlier.

Q - If a veteran with a non service connected disability dies in a private hospital, will the Veterans Administration pay transportation costs to place of burial?

A - No, VA is allowed to provide this benefit only if the veteran died while being treated in a VA hospital or while being treated at VA expense.

Q - Are World War II veterans eligible for Veterans Administration pensions at age 65?

A - VA pensions (not compensation) are based on need. If at age 65 a single veteran's income does not exceed \$2,600 a year, or \$3,800 for a veteran with dependents, a pension may be granted.

STANGA TAKES A BREATH

Poerner named to tax committee

Representative John Poerner is among five new members of the seven-member Legislative Property Tax Committee for the State of Texas.

Other new members are Senator Bill Meier of Ft. Worth, Representative Luther Jones of El Paso, Mr. Chrys Dougherty of Aus-

tin, and Mr. Fred Wulff of Brady.

Carry-over members are Senator H. J. "Doc" Blanchard and Mr. Carl Smith.

Officers selected by the group include Blanchard as Chairman and Poerner as Vice-Chairman; and Mr.

Dougherty, Secretary.

The Committee at its July meeting chose to reactivate the five advisory groups-Assessing, Collecting, Taxable Property and Exemptions, Data Processing, and Tax Suit Rules and Procedures.

The group instructed Director Delwin Jones to limit the initial groups to fifteen members. In accordance with this, invitations have been extended to the prior advisers on the basis of the attendance records for the previous meetings. This will not preclude the attendance by all interested people, but it will afford the committee a specified working group to whom they can look for specific action and direction.

The committee is keeping in close touch with the Constitutional Revision Commission, especially in the areas of property taxation.

Thank
you!

Mr. and Mrs. Charles Hackebell and Michael recently visited friends at Long Island, New York and at Akron, Ohio. Many historical sites were visited on their twelve-state tour.

Mrs. Velma Balzen has returned from an extended visit with her daughter, Mrs. Charles J. Zazzera in Carbondale, Pennsylvania. While there she visited her grandson, Jerome Zazzera, who has started his Plebe year at West Point Military Academy, West Point, New York. After three weeks with Mrs. Zazzera, Mrs. Balzen, Mrs. Zazzera, Stephen and Michael flew to Hampton, Virginia to visit with another daughter, Mrs. Ray Phaneuf, Mr. Phaneuf and daughters, Karen, Stacey and Yvonne.

Mrs. Chris Porter of Jefferson City, Missouri is vacationing in the home of her parents, the John Walkers, for three weeks. While here she also visited with the W. S. Porters. Mr. Porter is in Baltimore, Maryland on a three weeks business trip to his home office with Baltimore Biological Laboratories.

Council couldn't go all way on park

Although the City could not afford all the items requested for a playground park in the northeast section of town, the Council did vote to provide some of the items.

A group with Chevelle Lopez as spokesman presented the Council with a list of 13 items which they felt should be provided for "the Chicano children" (their description) of that area.

The items included: 1) two sets of swings, 2) one large slide, 3) basketball court with asphalt base, 4) tennis court with asphalt base, 5) monkey bars, 6) merry-go-round, 7) four see-saws, 8) two sand boxes, 9) two bleachers for baseball games, 10) rebuild backstop for baseball diamond, 11) rebuild baseball dugouts, 12) water fountain drain, and 13) trash barrels.

The Council voted to begin action on the last four.

These requests brought on much conversation, with Mayor J. G. Barry estimating the total plan would cost approximately \$30,000.

Councilman Hilmer Mueller said, "I don't see where the city can afford to think of this type of project. If we are going to put this much money in a playground we should place it in a central location so that all children can benefit from it."

This brought a reply from Mary Lopez, "Such thinking is illogical. You are talking about spending \$10,000 to expand the City Park which no one can use because it's always locked. The playgrounds at the schools are not centrally located for our children. Anyone could use the playground in the northeast section. And when you speak of central location you speak hypocrisy."

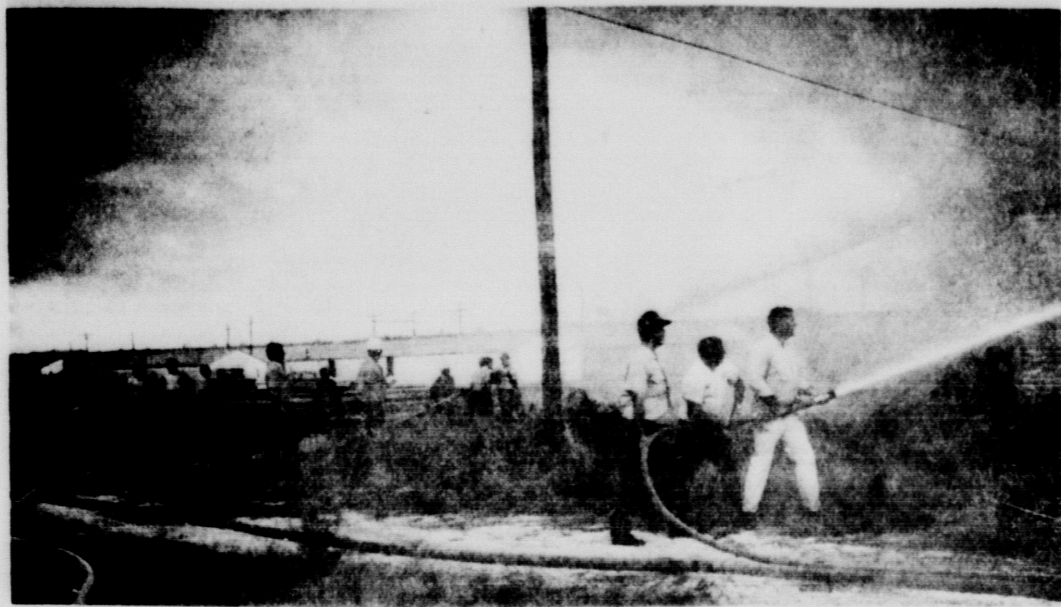

Her retort that anyone could use the park brought an answer from Councilman Bud Gwartney, "Your petition and request said the park would be for the Chicano children."

Final vote on going ahead on the four items was taken on a motion of Councilman G. E. Pedroza.

Sunday afternoon guests of Mr. and Mrs. G. O. Braden were their children, Mr. and Mrs. Steve Hartmann and sons, Edward and John of Jacksboro. The Hartmanns had just returned from a weekend visit to the Coast and after spending the night with the Bradens returned to their home on Monday. Other visitors were Col. and Mrs. R. G. Shaw and children of San Antonio, Mr. and Mrs. Tom Jungman and daughters of Castroville and Mr. and Mrs. Jim Rogers and daughters of Hondo.

Mrs. Hulda Westfall, Mrs. Eileen Brucks and Mrs. Bertha Hartman visited Pastor and Mrs. James Neffendorf, Mr. and Mrs. Walter Schmitt and Mrs. Ervin Neffendorf in Seguin Sunday afternoon.

Mr. and Mrs. Andrew Schweers, Mrs. Richard Schweers and Bryan Schulte returned Wednesday from Grand Island, Nebraska where they visited Mr. and Mrs. James Schulte and family. While there, they attended the wedding of Gary Schulte and Stephanie Bohlke in Kenesaw, Nebraska. Other out-of-town guests were Mr. and Mrs. Wilfred Schulte from Yorktown, Texas and Mrs. K. C. Jones and daughter, Brandi, from Fort Worth.

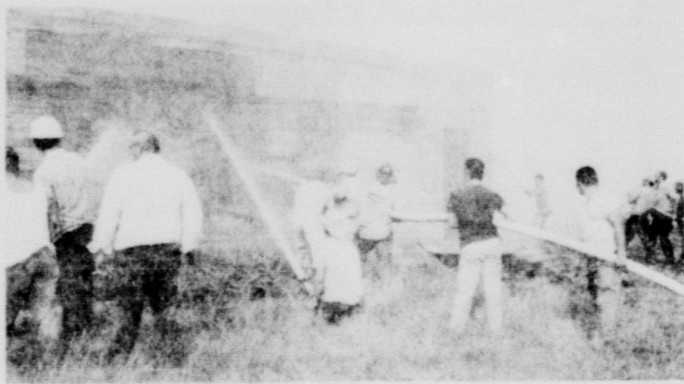

HUNDREDS OF YARDS OF FIREHOSE USED AT POTTERY

Special meeting called

The Hondo City Council has tentatively called a meeting for Tuesday night, August 21.

To be discussed is the plan to install a new tank at the sewage treatment plant.

Discussion will be held with Frank Bane, engineer, and Rudy Weiss, a representative of the Water Quality Board. Another probable subject will be the new dump ground area.

NEIGHBORING DEPARTMENTS FOUGHT FIRE

Water levels remain high

Water levels throughout the Edwards Underground Reservoir area have remained high during the month of July, with new water-level highs (altitude above mean sea level) recorded at the following wells: 1-4-4 at City of Sabinal, 797.3 feet; 1-3-148 at City of Hondo, 748.7

feet; J-1-82 at City of Castroville, 719.4 feet.

These readings represented new record highs in all three wells, a tendency which was apparent throughout the Edwards Underground Water District except at Uvalde and Kyle, both outside the range of heaviest rainfall.

Fire Dept officers

An efficient fire department needs efficient, well-organized leadership. It was this leadership

that saw the need for organized fire-fighting back in 1909 and organized the Hondo Volunteer Fire Department. And it is this same quality that keeps Hondo at the forefront of fire-fighting quality today. July 2, 1909: "The Hondo Fire Company No. 1 has been organized, with the following officers: J. D. Brown, President; S.

G. Morgan, Secretary; Hugh Woods, Treasurer; C. J. Bless, Chief; Fritz Martin, Inspector; and Frank Cockrell, Assistant Inspector." In 1973, the officers of the Hondo Volunteer Fire Department are President Maurice J. Zerr, Vice President Glenn McWilliams, Secretary Kenneth Bendele, Treasurer Elton Lutz and Chief Hilmer Mueller.

Assistant chiefs, or truck chiefs, include Glenn McWilliams, Elton Lutz, Chick Tschirhart and John Sturm. They follow a time-honored tradition of effective leadership, and they carry forward a continuous program of updating and improving the fire safety facilities of Hondo.

Don't follow fire trucks

The one most attention-getting vehicle in any town is always the fire truck. Where it's going becomes an instant topic of conversation almost as soon as the red light and siren are noticed. This is partly out of concern for friends, partly because of fear that it may be our house that's burning. But whether for good or bad reasoning, this sort of curiosity is no reason to follow fire trucks.

Too often, the road to a burning building, car, or pasture becomes an expressway, and too often, the fire truck is not in the lead, but tied up in the parade of cars headed toward the blaze.

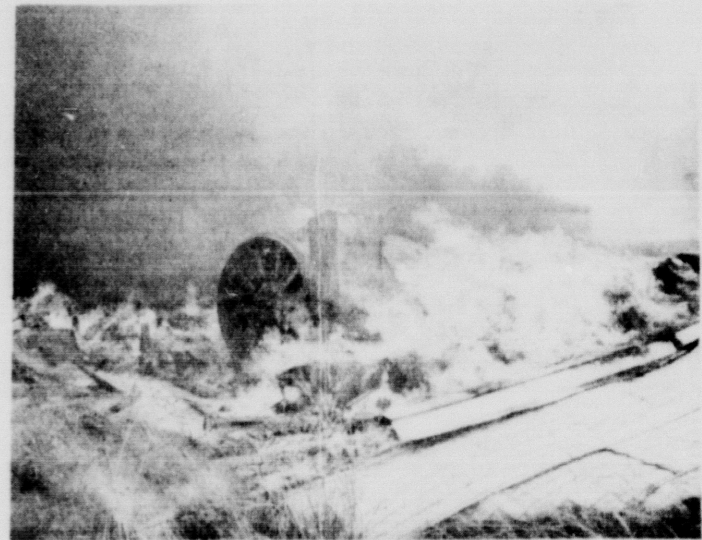

This is not only dangerous to those in the way of the

trucks, but it delays the arrival of help where a person's life may depend on speed. Fire Department spokesmen have repeatedly asked motorists to curb their curiosity, and police do their best to stop the practice, but fire truck-chasing continues.

A related problem is that of bystanders on the scene of the fire impeding the firemen from doing their most efficient work. Again, this is awkward, aggravating, and downright dangerous.

So, in the interests of speed, safety, and common courtesy, let us remember to refrain from following trucks or in any way from following trucks or in any way holding back the Fire Department from fulfilling its important mission.

Emch-Ward vows exchanged

Now at home in Uvalde are Mr. and Mrs. Lennis Nathan Ward, who were married in a double-ring ceremony July 28, 1973 at St. Paul Lutheran Church in Hondo. Reverend A. M. Hannemann officiated.

The former Miss Deborah Ellen Emch is the daughter of Mrs. Virginia Emch of Toledo, Ohio, and Mr. Joseph Emch of Erie, Michigan. Parents of the bridegroom are Mr. and Mrs. Floyd Ward of Hondo.

Scott Carey lit the candles on the altar, which was decorated with yellow, white, and orange mums and gladiolas. Joe Lee Nixon sang "Because" and "The Lord's Prayer," accompanied by Mrs. Ollie Schmidt on the organ.

Given in marriage by her brother, Clifford Emch, the bride wore a floor-length gown of white

satin accented with lace. A cathedral-length train cascaded from the high waistline and a floor-length veil extended from a beaded crown headpiece which the bride's grandmother made.

The bride carried a white Bible sent from her grandmother and was surrounded by yellow and white mums, baby's breath, and a white orchid in the center.

Maid of honor Miss Elizabeth Bauer and bridesmaid Mrs. Deborah Brown were attired in floor-length yellow dresses with orange design and

matching headpieces. Each carried a bouquet of yellow mums with orange streamers.

Roger Chancy was best man and Milton Brown was groomsman. Ushers were Warren and Curtis Freasier.

Sherry Johnson registered guests in the bride's book. Mrs. B. G. Sutherland served the three-tiered wedding cake. Mrs. Beverly Emch served the punch. Reception and a dance were held at the American Legion Hall in Hondo with music by the Valdina Play Boys.

Mr. and Mrs. Lennis Nathan Ward

4-H's CLUB

4-H'ers gather awards

This year Medina County had 39 4-H Record Books entered in County 4-H Awards Program. Of these, 22 were in the Senior division and 17 in the Junior division.

Six Senior 4-H members won a first place at County and District 13 competition and will now compete in State competition. Mariette Aelvoet, South Hondo Unit I, received first place in Girl Achievement; Vince Gilliam, South Hondo Unit I, first place in Boy Achievement; Joey Hartley, Natalia, first in Automotive; in Beef, Paula Moos, South Hondo Unit II, first place; receiving a first place in Dairy Foods was Robin Saathoff, North Hondo; and in Dog Care and Training, Kay Martin, South Hondo Unit II, first place.

Several other Senior 4-Hers placed first in County competition and participated at the District level. Jimmy Mumm, North Hondo, received a blue award at District in Agriculture; Cynthia Marbach, West Devine, red award in Consumer Education; in Foods and Nutrition, Denise Saathoff, North Hondo, red award; Andy Gilliam, South Hondo Unit I, red award; Horse Record Book; in Clothing, Karen Howard, West Devine, blue award.

Other Senior 4-H members entering County competition are as follows: Sharon Jagge, Rio Medina, red award in Agriculture; Deanna Howard, West Devine, red award in Beef; Larry Sultenfuss, East Devine, white award in Beef; Karen Sultenfuss, East Devine, white award in Beef; Tim Gilliam, South Hondo Unit I, red award in Dog Care and Training; Jeanette Aelvoet, South Hondo Unit I, red award in Foods and Nutrition; Carol Stein, Rio Medina, white award in Foods and Nutrition; Catherine Cox, North Hondo, white award in Foods and Nutrition; Nancy Smith, West Devine, red award in Horse; Clara Zinsmeyer, LaCoste, red award in Clothing; and Emily Cox, North Hondo, white award in Clothing.

Junior Record Books may compete in District competition but do not compete at the State level. Therefore, at District these record books receive a blue, red, or white award but are not ranked.

Fourteen Junior Medina County 4-Hers placed first at County and competed in District competition.

Judy Hayter, Rio Medina, received a blue award in Girl Achievement;

Douglas Cole, South Hondo Unit II, red award in Citizenship; in Clothing, Cheryl Cox, North Hondo, red award; Angela Braden, South Hondo Unit I, blue award in Dairy Foods; Karen Reinartz, North Hondo, blue award in Dog Care and Training; in Entomology, Hank Muenink, South Hondo Unit II, blue award; Nancy Martin, South Hondo Unit II, blue award in Foods and Nutrition; in Food Preservation, Jessica Muenink, South Hondo Unit II, blue award; Leslie Muenink, South Hondo Unit II, blue award in Consumer Education; William Crawford, West Devine, red award in Horse; in Poultry, Clay Smith, West Devine, blue award; Wayne Rodgers, Castroville, blue award in Swine; Chris Cole, South Hondo Unit II, blue award in Leadership; and in Sheep, Keith Saathoff, North Hondo, blue award.

Other Junior Record Books entered on the County level were Joy Heiligman, South Hondo Unit I, red award in Clothing; Patrick Richards, South Hondo Unit II, red award in Dog Care and Training; and Donna Biediger, Rio Medina, red award in Foods and Nutrition.

H.D. Council begins new year on July 30

The Home Demonstration Council began a new year on July 30 by electing officers.

Newly elected officers are Amy Noblitt from Devine, chairman; Mrs. Jolyn English from Devine, vice chairman; Mrs. Floyd Saathoff from Hondo, treasurer; Mary Newman from Devine, reporter; and Mrs. Albert Saathoff from Hondo, secretary.

There were ten members and the County Extension Agent present. Delegates to the state meeting in Waco September 19, 20 are Patsy Graff of Hondo, Earlene West of Devine, Wilma Linthicum of Natalia. Alternates are Doris Saathoff of Hondo, Mary Ann McCoy of Devine and Dorothy Baker of Natalia.

Also, the new year books which were compiled in the Extension Office were issued to each club and the date for the salad luncheon was set for October 30. The place will be announced at a later date.

Natalia & Chacon Lake News

Mr. and Mrs. William H. Dennis returned home Tuesday after having visited his sister-in-law, Mrs. C. L. Dennis, and other relatives at Springhill, Louisiana. They attended the funeral on July 27 of Mr. Dennis who died of a heart attack on July 25.

Mr. and Mrs. E. L. Helms left Thursday morning for their home at Buckville, Arkansas, after having visited a week with her parents, the Roy E. Allisons. They joined in celebrating Mrs. Allison's birthday on Wednesday. They returned home via Fort Worth with their daughter and family, the Virgil M. Wilkersons.

The Allisons and their daughter and family, the Roy L. Williamses, Edmund, Jeffery and Fredyene, and Mrs. Lavoy Williams of San Antonio made a trip to Padre Island Saturday for an outing until Sunday morning. They reported that fishing luck was poor.

The Sammy Smiths went to San Antonio Sunday and joined Lt. and Mrs. J. D. Scott to Canyon Lake for the day picnicking and boating.

Mr. and Mrs. Luciano Pena and Mr. and Mrs. Victor Guevara enjoyed Friday evening in San Antonio dining and boat riding on the San Antonio River and attending Fiesta Noche Del Rio.

The T. M. Harrison, Canyon Lake, were dinner guests Sunday of her mother, Mrs. Ross Bradley.

Mr. and Mrs. M. N. Smith had as their weekend guests their son and daughter-in-law, the Morris W. Smiths.

Mrs. Genevieve Day returned home Wednesday after having visited since Saturday with her sister and family, Mr. and Mrs. Henry Millican, Kerrville; Lt. Col. Henry Millican, Mr. and Mrs. Charlie Millican and Mayor and Mrs. John Macdeacy, all from San Antonio.

Don Richards made a trip to Marble Falls Saturday night for the week with James Henson. The Marvin H. McCarty, Debbie Lynn and Randy Hugh had as their weekend guests, his brother and family, the Denver McCarty, Paul David and Julie Denise of Dripping Springs.

Mrs. Adeline Nelson, accompanied by her grandchildren, Miss Barbara Lorraine and Brett Lorraine and Lewis McMillan, attended the centennial in Schulenburg Sunday. While there, they enjoyed dining with Mrs. Nelson's brothers and sister-in-law, Mr. and Mrs. Henry J. Klesel and Mr. and Mrs. Charles Klesel.

Mr. and Mrs. Clifford Youngblood, San Antonio, and his mother, Mrs. Willie Youngblood of Lawton, Okla., came Sunday for the afternoon with Mrs. Youngblood's daughter and family, the Tom R. Elliotts.

The Iven W. Thompsons had as their house guests from Tuesday until Thursday morning his nephew and family, the Charles Thompsons, Alicia, Melvin and Virgil of San Angelo.

Mr. and Mrs. E. L. Helms, Buckville, Ark. arrived Wednesday afternoon to visit until Thursday, Aug. 2, with her parents, the Roy E. Allisons.

Buying clothes for school

By GAYE BIPPET Medina Co. Ext. Agent

BUYING SCHOOL CLOTHES

After a summer of shorts and T-shirts, children and mothers are thinking about new school clothes.

Before shopping, take an inventory of clothing the child has on hand, suggests Mrs. Gaye Bippet, County Extension Agent.

Examine these garments carefully, note their condition and sort them. Usually, some are still wearable, others need minor repairs and some should be discarded.

Next measure each child. This way purchases can be made by size not age. Over the summer months, a child can grow one or two inches in height or width.

When shopping for school clothes take full advantage of sales, but don't go "overboard". Remember that the weather remains hot in our area for at least two months after school starts so start the child in cool clothes.

Purchase only enough clothes to last for two to three months of school at a time. That way, the child won't outgrow them before he wears them.

Spreading clothing purchases has another advantage -- most children are happier with new things periodically rather than all at once.

more clothes than boys -- but boys' clothing is more expensive.

When purchasing school clothing, consider durability, price and care requirements.

For items receiving the most wear, buy the best quality the family can afford. School clothes and shoes must withstand wear longer than a party dress -- which is worn only a few times.

Read all labels and hangtags to determine care requirements. A wash and wear garment can be worn two or three times a week if needed.

Follow instructions for best results -- and best return on money invested. Also consider fashion trends. For example, classic looks -- with plaids a major element -- are "big" for fall.

Highlighting the girls' scene are cuffed pants, stretch bodyshirts, pleated or flared skirts, sweaters and jumpers. These items offer unlimited possibilities for the popular layered look.

Jean styling remains the top favorite for boys' fashions.

Jeans come in a wide range of fabrics. Denim and corduroy lead the "pack", followed by knits and stretch wovens.

Highly patterned shirts complement solid pants.

Also, watch for knit sport shirts, cotton, polyester and blends, denim work shirts, western shirts and lumberjack plaids.

Often building a small basic wardrobe around the child's favorite color is the answer. This way, items can be mixed and matched.

Several factors influence how much clothing is needed. These include the number of children in a family, their ages, and how often the homemaker does the family laundry.

As a rule, girls need

Miss Willmann honored with shower

Miss Elaine Louise Willmann, bride-elect of Gary Max Hitzfelder, was complimented with a miscellaneous shower on Sunday afternoon in the home of Mrs. Homer Eaves. The honoree chose to wear a double-knit dress of maroon and pink designed with an empire waistline, short puff sleeves and pink V collar.

The hostesses presented her with a pink rosebud and miniature white and maroon flowers and they presented Mrs. H. M. Willmann and Mrs. Max Hitzfelder each with a maroon and pink daisies corsage.

Mrs. Joe T. Hartley led the group in playing two games. Miss Linda Clements, San Antonio, registered the guests and she and Little Miss Mary K. Hartley assisted at the gift table.

The serving table was covered with an ecru lace tablecloth over pink. The cake, a white oblong confection, was decorated with a pink umbrella, white swans, flowers and a doll dressed as a bride. Cake and pink punch, mints and nuts were served to the 33 guests by Larie Hartley and Miss Clements.

Out-of-town guests were Mrs. Amos Hitzfelder, Marilyn, Mrs. John Simon, Mrs. James A. Garrett, Mrs. Wilson T. Crofford, San Antonio; Mrs. Alvin Halty, LaCoste; Mrs. C. A. Aaron, Jr., Lytle; and Mrs. Charles Hitzfelder of Hondo.

Hostesses were the women of the Community Presbyterian Church, Natalia.

Shower honors Miss Kathryn Sue Smith

Miss Kathryn Sue Smith, bride-elect of Mr. Glen C. Riff, was honored with a miscellaneous shower-er-tea at St. John's Parish Hall in Hondo on Saturday, May 12, 1973.

The honoree, attired in a Navy blue dress of dotted swiss which was accented by a corsage of yellow daisies, was assisted in receiving the guests by her mother, Mrs. Colvin E. Smith of Refugio, and Mrs. Nick G. Riff, mother of the groom. Each mother was presented with a lovely corsage of white daisies.

Miss Margaret Riff, sister of the groom, presided at the guest book.

The serving table, covered with yellow linen, and overlaid with white net, was accented by dainty green bows and ribbons of

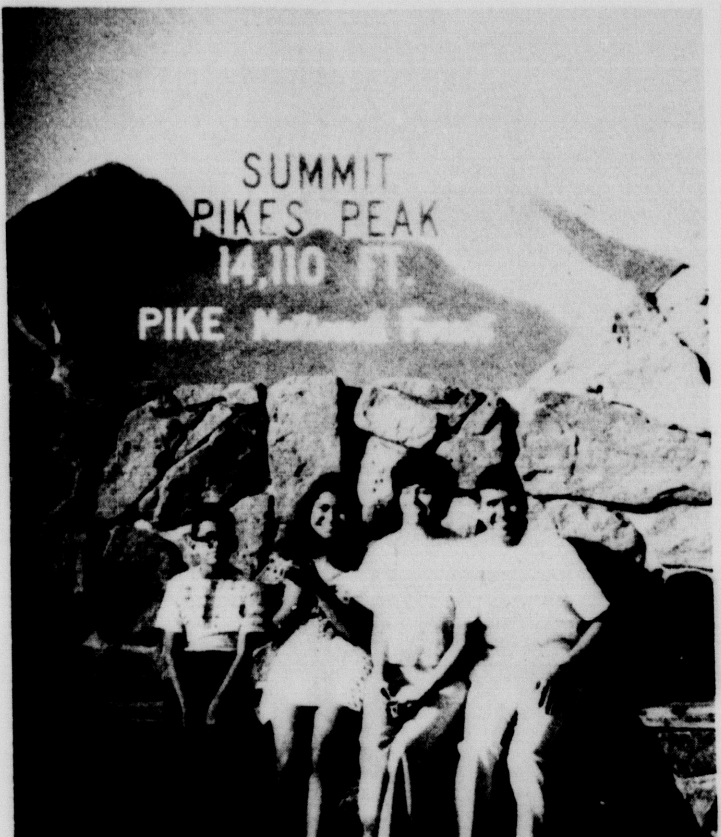

the floor-length skirt. A lovely spring bouquet of flowers formed the centerpiece and was flanked on each side by milkglass candle holders holding long green tapers. Assorted cookies, punch, nuts, and green and yellow rosebud mints were served to the guests by Miss Pamela Ballard, cousin of the bride, and Miss Cindy Weber, cousin of the groom.

The hostesses presented the honoree with a mixmaster and a pressure cooker.

Hostesses were Mesdames Harry Haby, Dan Menk, Emil Riff, Oscar Etter, Lawrence Haby, Doyle Weber, Victor Saathoff, John Coyle, James Riff, Richard Schweers, Andrew Schweers, B. P. Strunk, Vernor Muennink, Hobby Schuehle and Ronnie Wilcut.

Also, Mmes. Larry Muennink, V. H. Neumann, Alfred Neuman, James Davis, Tony Griffin, Alvin Kowalik, Myles Weynand, Olin Wiemers, Franklin Wiemers, Anton Heiligman, Paul Sturenthaler, Harold Moehring, Edgar Saathoff, Wesley Mann, S. H. Parsons, Autry Been and Robert Riff.

Also, Misses Judy Coyle and Nancy Menk.

AT THE SUMMIT--The Oswald Nira family poses in front of the summit marker atop Pike's Peak. Their vacation took them through Colorado and Nebraska. (Photo by O. J. Nira)

Nira family tours Colorado

Mr. and Mrs. Albert Nira, their children and grandchild accompanied Mrs. Oswald Nira, Terry, John and Richard to Pueblo, Colorado to vacation there with Gunnery Sgt. Oswald Nira. Nira is currently stationed in Colorado serving with the Marine Corps Recruiting office.

While in Colorado, the Nira family visited the Garden of the Gods, Fort Carson, and Colorado Springs, but the highlight of the trip was a drive to the 14,110 ft. summit of the legendary Pike's Peak.

There, they made snowballs and enjoyed the view, which Pike National Forest Tourist Information Service says was an inspiration for "America the Beautiful".

Following that visit, the family continued on to Nebraska where the Albert Niras visited their son-in-law's family and were introduced to their first grandchild, Tina Marie Lovato. Her parents, Mr. and Mrs. Albert J. Lovato, arrived there by plane two days later.

Sergeant Nira accompanied his wife and children back to Hondo and has returned to duty in Colorado.

This week All she wrote

by Edna McDade

"G-o-i-n-g UP!" ... so warns the American Newspaper Publisher's Association about the price of newsprint. Many, if not most, metropolitan dailies advanced from ten to 15 cents Jan. 1 of this year.

What the pending threat of increase will do to the ten-cent weekly paper, if the price goes higher, is to make a lot of readers unhappy. So, read all about it in the Anvil Herald while you can, at the bargain price of one little old thin dime.

August leads us 2/3 of the way across what was a brand new year some less than 35 weeks ago.

Kay McCracken who is our area expert bird-ologist says, "Least sandpipers, our tiniest shorebirds, always are in the vanguard of fall migration and they began arriving in mid-July."

So, if the tiny orange-legged "Leasts" have headed this way, maybe they offer promise that the hot, dry high 90's days which we have been complaining about are just preparing us to appreciate the cooler fall days now making plans for later arrival.

An editor's life [most editors will admit] is one of "ups and downs". Some months ago, Fane Burt [former AH editor and now holding that post for the SA Express-News Sunday One] sent me a card from way up yonder somewhere in France. This week a card arrived postmarked La Paz, way down Baja California way.

Some of the snakes St. Patrick is supposed to have driven out of Ireland might have wriggled their way into Italy.

Dangerous snakes are reported on the increase in the recreation areas around Rome.

With no St. Pat available, the Roman parks commissioner decided to employ antiuiper posses, equipped with hedgehogs and porcupines as fighting tools. One such expedition netted about 400 snakes.

What is being termed "our ragged old Texas Constitution" seems to be getting even more ragged as the Constitutional Convention Planning Committee argues the pros and cons. The Revision Commission has some hurrying up to do to have final drafts ready by November 1.

Serious as all the business is, details of some of the problems facing committees and subcommittees [checking the Louisiana way, where to put the new desks, who will sit where, filibuster antidotes, will each delegate be allowed his own staff] -- make it sound like long and busy days ahead.

Our old 1876 state constitution will probably be feeling all of its 98 years before the newest model appears to take over, according to specifications supposed to be ready by May 31, 1974, plus the 60-day extension option, if necessary.

Idi Amin, president of Uganda might never visit Texas and perhaps it is just as well. A Swedish shoemaker says Mr. Amin wears size 13 sandals.

How would he ever learn to dance "Put Your Little Foot", Texas style?

The novels of George Eliot are a bit "wordy" but I have been scanning 'Adam Bede' and 'Silas Marner' again, just for old times sake.

Somewhere in the Eliot writings I found this observation which I feel might be trying to tell me something when items for this weekly visit are in scarce supply:

"Blessed is the man who, having nothing to say, abstains from giving in words evidence of the fact."

Reference tells me that Marian Evans Cross [the "real" George Eliot] said this in "Impressions of Theophrastus Such" which I have never read or heard of before today!

BIRTHS

Mr. and Mrs. Jerry Rock of Elgin, Illinois, announce the arrival of their first child, a son, born May 22. Joseph Robert Rock weighed in at seven pounds.

His grandparents are Mr. and Mrs. Robert Down of Hanover Park, Illinois, and Mr. and Mrs. Ferd Rock, Jr. of Hondo.

His great-grandmothers, Mrs. Ferd Rock, Sr., of Hondo and Mrs. Arnold Finger of D'Hanis, as well as his maternal great-grandmother of Hanover, Park, Illinois, also welcome the new arrival.

Mrs. Grant tours Washington D.C.

Mrs. Alex Grant, Jr. returned by air last week from a vacation in Washington, D.C., where she visited her brother, Thomas L. Lowery, and his family.

She reported a thrill-packed two weeks which included daily sightseeing; many tours, the Capitol and White House inclusive; attending "Raisin in the Sun" at the Arena Stage Theater, and the final concert of the 100-voice D.C. Youth Choral prior to its leave for a tour of Romania.

During visits with relatives and friends in Maryland and Virginia, Mrs. Grant visited the Memorial Section of Arlington Cemetery where she viewed the gravesite of her step-uncle, Col. Charles A. Young WWI, the Kennedy memorials, and witnessed the changing of the guard at the tomb of the Unknown Soldier.

One of Mrs. Grant's D.C. hostesses was Mrs. Lottie Garrett Jenkins, a native of Hondo.

Here in Hondo

Visiting in the Charles Hackbeil home recently were the Steve Hackbeils and Jonas and friends from Dallas. Also in the Hackbeil home were Tony and Christy Wilson, Carl Aufderman and Mary Mettett, also of Dallas. From Midland came other visitors, Charles, Susan and Tracy Hopkins. Joining them for a weekend at Medina Lake were the John Meltons, Terry Tilley and Jay Fingers of Hondo.

Brown's Nursing Center News

Mr. and Mrs. E. W. Love, niece and nephew of Mrs. Anna Goehring, visited her on Monday, August 6th.

Visitors of Mrs. Regina Burell during the week were Kitty Harris of Dayton, Ohio; Mr. and Mrs. Fred Hinders, Mrs. Mary Burell, Red Burell and Mr. and Mrs. Milton Bendele.

Mr. H. A. Tondre visited Mrs. Fritz DeGroot on Tuesday.

Mrs. Louis Bohmfalk of Lytle visited her husband, Mr. Louis Bohmfalk, who is a resident at the nursing home.

Mr. and Mrs. Charley Leinweber visited Mrs. Ella Leinweber on Sunday.

Mr. Raoul John Barrientes visited his grandmother, Mrs. Eudelia Barrientes, on Sunday.

Mr. and Mrs. Emil Poerner of Castroville visited Mrs. Clara DeGroot, Mr. August Schneider and Mr. Albert Groff on Wednesday.

Mr. H. L. Pichot of Baytown visited his parents, Mr. and Mrs. W. F. Pichot.

Mr. Martin Schneider had visitors from Castroville Saturday; they were Mr. and Mrs. Gene Bohl and Michael and Mrs. Eddie Bendele.

Two attend convention

Miss Connie Koch and Mrs. Sam Zerr were in San Antonio Sunday where they attended the 118th National Convention of the Catholic Central Union of America and the 57th National Convention of the National Catholic Women's Union held at the Menger Hotel.

The Concelebrated Mass was held in St. Joseph's Church with Most Rev. Francis J. Furey, Archbishop of San Antonio, as Principal Celebrant. The Archbishop also delivered the Homily.

Responses were sung by the San Antonio Liederkranz.

Father Victor Schmidt-zinsky, spiritual advisor of the Texas Branch of the Youth Section, gave the closing prayer at an afternoon meeting. Father Victor also attended again on Monday.

Dale Francis of Fort Worth, editor of the National Catholic Register, in his address delivered at the evening banquet

warned that liberalized abortion laws are the start of "an attack on human life" that could lead to widespread mercy killing.

He spoke out against euthanasia for infants. Francis declared "There are people already preparing for the day when on a person's 55th birthday, the government will decide whether that person is making a constructive contribution to society, and, if not, that person will die."

"No doubt that unless a strong effort is made to stop the campaign for euthanasia, it will succeed within this decade," stated Francis.

He noted that one million and a half will be destroyed this year in the mother's womb, and stated that abortion is an attack on the whole of human life.

Catholics are being called for a "spiritual renewal" and return to the teachings of the church to combat the "diabolical evil."

AT BARBECUE ... Visitors to the VFW Post 3891 annual membership barbecue and family reunion in Hondo City Park last week were Hand Perry, District 11 Loyalty Day chairman from Eagle Pass, left, and District Commander Joe Turner, center, also from Eagle Pass. They are welcomed

by local Commander Rudy J. Proctor, Jr. Some 60 persons enjoyed the event and heard brief comments from Proctor as he introduced the guests. Proctor announced that future meetings of Post 3891 will be held at the New Frontier Restaurant beginning September 11. [Photo by Tony Mendoza]

Flood area-- Northeast Hondo

[Editor's Note: This is the full text of the presentation made by Henry Dominguez at the Tuesday night Council meeting.]

I. Represents area from Ave. A through G and 15th through 18th Streets.

Approximately 130 families actually affected by water in their homes or yards.

a. Families involved have lived there all their lives and are not new home owners, as in other inundated parts of town.

b. They are low income families and for that reason are not able to relocate.

II. The terrible times that these families have endured for the past 25-30 years are difficult to describe. Actually only through experiencing the ordeals that they have experienced can one fully understand their plight.

There have been many sleepless nights filled with anguish and anxiety when they have been placed on alert to evacuate their homes and go to the Courthouse or the National Guard building because of flood waters. Endless hours have been spent watching the flood waters going into their homes, causing extensive damage to their homes, land and damaging their limited furnishings. The loss of income is also a tremendous blow for many of these people, as some are isolated and cannot get to work due to inundated areas around Ave. B and 15th and 16th streets. The city and county have also suffered heavy losses through the years, as the number of personnel and equipment utilized in rescue operations continues to increase.

III. It should be noted that only through flood affective people initiating a request for corrective action that something has been attempted.

IV. It is disconcerting that the Health Department has not already put pressure on the City Government to take corrective actions to eliminate the weeds, brush, and mosquitoes that are found by the slough or gravel pit.

V. It is recognized that in order to do anything, it takes money and this normally is the stopping point for most projects. The monies available from Revenue Sharing can be better utilized for this need than for other less important projects.

VI. The City already owns some land by the slough and we believe that more is available for approximately \$1,500. (Here, Dominguez revealed that E. A. Bendele, owner of this property has offered to deed this gravel pit area to the City so it can be cleaned and maintained.) Although we are not engineers, we would like to make the following suggestions that might help:

a. The City should purchase the property that is available for \$1,500. Many families, who have had much difficulty during flooding periods, would be greatly helped. The City would be responsible for

clearing and keeping this land clean.

b. The slough should be widened and dug deeper in order to pull in more flood water and not have it running over a greater area.

c. Negotiations should be started with the Highway Department in order to widen the water crossing south of the gravel pit. The small opening is the main reason for the flood waters backing up and inundating the area. We have heard that it will be difficult to get them to join us in our need, but we feel that the effort should be as great as the need.

d. The two crossings on 15th and 16th Streets should be rebuilt to replace the two pipes that are at each crossing. The pipes hamper rather than help the flow of water.

e. Ave. A should be opened to the access road near Highway 90 or to the highway itself. This will allow people from the area in Ave. A and to not be isolated during flood conditions.

We would like to see a committee appointed to start action immediately and that we be informed of what will be done and if not, why not. We stand ready to cooperate in any manner possible in the furtherance of this project.

Cowboy event planned

Cowboys have been in the spotlight for many years, and Pleasanton, Texas residents insist they began that action in Atascosa County.

And on August 23, 24 and 25, the people of Pleasanton and the county

will celebrate that belief at their Annual Cowboy Homecoming.

They claim there is plenty of fun and frolic at the shindig with parades, contests and other event for the young and old.

SCHOOL Lunch Menu

August 22-24

WEDNESDAY — Frito Loaf, Pinto Beans, Health Salad (Cabbage, Carrots, Peppers), Cornbread, Butter, Jelly, Milk.

Menus will be subject to change if foods are not available.

Andrews completes course

PATUXENT RIVER, MD. — Navy Airman Apprentice Richard T. Andrews, son of Mr. and Mrs. Billie G. Andrews of

5820 Threadgill St., El Paso, completed a specialized aviation maintenance course at the Naval Air Station here.

Camp Mary Louise session held

Thirty-nine campers and 14 counselors attended Camp Mary Louise in a session held two weeks ago.

Director for the camp was Jo Ann Heiligman, assisted by staff nurse Edna Aycox and cook Sheila Foster.

Serving as counselors were Susie Hartung, Kay Schulte, Terry Mumme, Cindy Mumme, Peggy Rothe, Christi Rothe, Nancy English, Shauna Graff and Pam Nester.

Also serving were Donna Embrey, Joan Nester, Michelle Pope, Paulette Burrell and Cindy Schueling.

Campers attended classes in handicrafts, swimming, sports and games, tumbling, cheerleading and twirling, nature lore, and camp skills.

Young Farmers to meet

The Hondo Young Farmers will hold a regular meeting in the High School Vocational Agriculture building August 21, at 8:00 p.m.

After the meeting, a program will be presented by Bill Hare, meteorologist at the Hondo radar station. Following the program, the Young Farmers will tour the radar station.

D'Hanis News

Recent guests in the home of Mrs. William Weynand and the Julius Schmidts were Mr. and Mrs. A. R. Friemel and sons of Umbarger, Texas.

House guests of the Louis Lutzes during the past week were Mr. and Mrs. Clarence Enderle and daughter of Beaumont, Mr. and Mrs. Ray Enderle and family of Corpus Christi and the Louis E. Lutz family of San Antonio. They also visited Mrs. John Reiber and the Walter Burrells.

Misses Judy and Nancy Finger of San Antonio spent last week in the home of their grandmother, Mrs. A. J. Finger. On Sunday they returned home with their parents, Mr. and Mrs. Jack Finger, and other members of the family who visited here. Others who joined them on Sunday were Mr. and Mrs. Joe Keeffe, Kathy and Mike of San Antonio.

Owls set scrimmage dates

The Hondo Owls have set two pre-season controlled scrimmages against Southwest High School and Boerne, reports Head Coach James Bohls.

The first of these is set for Friday, August 24, against Southwest High School of San Antonio. That scrimmage will be played at 7:30 p.m. at Southwest stadium.

Boerne's scrimmage will begin at 7 p.m. Friday, August 31, at Barry Field in Hondo.

Two B-Team scrimmages have also been scheduled, added Bohls.

On Saturday, August 25, the Owl B-Team will scrimmage the D'Hanis Cowboys at Barry Field beginning at 7:30 p.m.

The next Saturday, September 1, the B-Team will meet Sabinal, also in Hondo, at 7 p.m.

The first Varsity game of the 1973 Hondo Owl season will be September 7 as the Owls entertain Floresville at Barry Field. Last season, the Owls won the season opener from the Tigers by a close 27-26 margin.

The Freshmen and B-Team will open their season at Medina Valley beginning at 6 p.m. Thursday, September 6.

Pro-Am August 25

A Pro-Am tournament is set for Saturday, August 25, at the Hondo Golf Course, reports Pro Virgil Krenmueller.

Entry deadline for the tournament is 1 p.m. August 25, with play beginning with a shotgun start at 2 p.m.

Fee for entry will be \$5 plus green fee. The field will be limited to 72 players, so send fee and handicap soon to Virgil Krenmueller, Hondo Golf Course, Hondo, 78861, or call 426-8825 for further information.

ALL IN A ROW ... Owl football players line up in a single row for closing "Whistle Drill" in first morning of practice Monday.

FOOTBALL TIME AGAIN

City reports on sports donations

Involvement of the City of Hondo in various recreational and other activities was outlined Tuesday night by Mayor J. G. Barry.

The report showed contributed by the city as well as "in-kind" contributions.

Broken down the report revealed annual contributions to be:

Rent for the Pub (which is used by an average of eight persons per night and has only 81 members) \$750, Pub manager \$1200; rent for Library \$750, salaries for Library \$5920; swimming pool salaries, managers \$1500, guards \$1100, miscellaneous \$995;

Hondo Golf Association, city contribution \$2700. Others included: Little League, free lights and some maintenance; Rodeo Association, rent forgiven; Medina County Museum, utilities estimated \$300.

After swimming pool receipts of \$2690 are subtracted from this total of \$15,215, the city's contributions are \$12,525. Add to this \$1100 which the city pays toward the Summer Recreational Program, which covers a seven week period, and the city's involvement in activities for its youth and older residents reaches a total of \$13,625.

KICK COVERAGE ... was one drill practiced by Owl gridders Monday in opening two-a-day practices.

HONDO HIGH SCHOOL 1973 FOOTBALL SCHEDULES

Nov. 8	at Pearsall	6:00

Freshmen Games start at the indicated time and "B" Games follow.

All Stars beat New Braunfels

The Hondo All Stars beat the New Braunfels "Servtex" by a 7-6 margin in eleven innings Sunday at Pruneda Baseball Park.

Pitching for the All Stars were starter Torrez, reliever Ramiro Miranda, and then Mario Garcia. Garcia was given credit for the win. Mario also connected with his bat for a single and a home run.

Leading hitter for the All Stars was Danny Tristram, with five hits in six times at bat. He hit two singles, a double, a triple, and a home run.

The home run was also the winning run in the contest, coming in the eleventh inning.

Next Sunday, the All Stars will play the San Antonio Red Sox.

28-AA football mag is green for '73

The District 28-AA Football magazine cover is colored green for 1973, and with good reason ... the Pearsall Mavericks, green-and-white, are scheduled to take it all this season.

According to a poll among the seven head coaches of District 28-AA, the Mavs took 47 of a possible 49 points to lead the voting. Five coaches chose them for the top spot, with one vote each going to Hondo and Medina Valley. A first-place vote counts seven points, second-place six points, etc.

In second place with 41 points is Hondo, and Devine polled 35 votes to take third. Rounding out the voting area Medina Valley, 29 points; Dilley, 18; Carriazo Springs, 14; and Cotulla, 12.

Now, a second place vote for the Owls could be just fine. Last year, it was Hondo which headed the list, polling a perfect 49 votes. But, as everybody remembers, Devine pulled off the District championship.

But if jinxes mean anything (which they don't), the Owls may still be in trouble, because Devine was picked third last year, too.

Hondo is faced with the problem of bouncing back from a season that saw them fall from a state contender to a district also-ran. But the Owls are capable of some big bounces when the likes of Martin Timmerman, Eddie Pope, Ted Mendoza, Pat Stein and Charles Britsch anchor the Blue line. All are seniors, and they lend size and experience to the Owl machine.

In the backfield, Tony Hackebell and Gene McAnelly will provide some comfort to those who mourn the graduation loss of star Keith Ligon. Players like Kebo are few and far between, but this duo promises to ease the replacement problem.

Experience should be available from senior quarterback Brian Finger, but willing replacements await there, too.

To a lost child, a phone call means home

If your youngsters get lost, find they're going to be late or need to reach you in an emergency, can they phone you? Or, can someone call home for them?

We're offering an Emergency Phone Call Card. For children's use and parents' peace of mind. No charge. It's a billfold-size card with room for your child's name,

address and home phone number. If you can't be reached there's space for the numbers of a trusted friend or relative, and the family doctor. There's also a slot for a dime.

To order your card—or cards—write: Southwestern Bell, P. O. Box 972, St. Louis, Missouri 63188.

By LILLIAN PORTER
Executive Secretary

Letters such as these came in:
Dear Sir:
Please send me a list of all parades to be held in your area this year.

Thanking you,
Robert Hakes
Sarasota, Florida
Please send the latest list of deer leases you have. Thank you.

Robert Woodall
Highland, Texas
Judge Hugh Meyer
Medina Abst. Act. Co.
Hondo, Texas

Sir:
Please send me any brochures or literature you

may have on the Hondo area.

Subscription prices on your local newspaper (Hondo's not San Antonio) and any information on home and property prices would be helpful.

We are particularly interested in this area for health reason.

Thank you.
Jack Phillip
Portland, Oregon

State Lodging Tax is a good indicator of the visitor industry. In the ten months fiscal period Sept. 22 through June '73, the state treasury collected \$6,965,373 in lodging taxes. This was 10.1% more

than the same period the year before.

Legislation signed by Governor Briscoe permits Texas communities as small as 6,000 to now levy a local occupancy tax up to 3% on motel/hotel rooms as a means of raising tourist and convention promotion funds. A survey showed only 36 Texas cities were taking advantage of this method of raising funds to promote their communities. Other communities should look into this method of financing for tourist promotion.

Brochures: Laredo, Nuevo Laredo, more Austin, San Antonio maps, more Colorado Springs maps, Heritage Garden Village, Woodville, Texas.

George Caldwell, an instructor from Del Rio Flying and Iowa, paid us a visit and picked up Texas brochures.

Corn Shucking Contest: Plus the original ones mentioned last week, Doris Reinartz and Ella Oefinger have signed up.

Guest Book: Margurite Lasley, San Antonio, with Muscular Dystrophy. Hondo will have two phones for the Muscular Dystrophy Drive. These phones will be manned by the Rainbow Girls and the

DeMolay Boys at the home of Mary Jane Marrs. The Jerry Lewis Show will be on Channel 12 and Henry Guerra will be in charge in San Antonio. The Hondo telephone lines will be open Sunday, September 2 from 10:30 p.m. to 1 a.m. September 3 (Labor Day). On Labor Day they will be open from 6 a.m. to 8 p.m. A group of the Rainbow Girls, DeMolay Boys and the Mayor will be asked to appear on Channel 12, Labor Day at a later designated time.

Long Distant Phone Calls: From: Dan R. Wilson, San Antonio, regarding deer leasing; Pat Wolfe, Shell Oil Co., Houston, regarding Hondo as a site for a TV Commercial; L. C. Williams Co., Houston, regarding Christmas decorations; David Ciomperlik, San Antonio, deer leasing; Austin inquiring about purchase of corn; James Kneip, 3 K Digging Service, Victoria, regarding deer leases; Josie Finger, D'Hanis, regarding Masonic Cemetery Marker; Unidentified party from Aransas Pass, checking on Hondo Veterinary Hospital and Dr. Kelly.

Long Distant Phone Calls: To: Ambrose Rynders, Castroville, concerning housing available; Harold Johnson, San Antonio, concerning dove lease; and Josie Finger, D'Hanis, Masonic Cemetery Marker.

Alfred Wiemers gave the Chamber a generous donation for helping him lease his deer lease.

Outgoing Letters: Ken O'Connell, Exec. Vice

Pres. Chamber of Commerce, Las Vegas, Nevada; Jud Allen, General Manager, Chamber of Commerce, Reno, Nevada; Fred Burtner, Exec. V.P. Greater San Antonio Chamber of Commerce; East Bank of Colorado Springs, Colorado Springs, Colorado; Dan R. Wilson, San Antonio; David Brewer, Product Sales Manager, Freedom Homes, Temple; George Caldwell, Hondo; George H. Uribe, Exec. V.P., Chamber of Commerce, Laredo; Robert Hakes, Sarasota, Florida; Tom Purdum, Exec. V.P. New Braunfels Chamber of Commerce; Bobby Moore, Belton; Jerry L. White, Alvin; Calvin Homann, Lockhart; Thomas Harrison, Hondo; Kent Doyle, Bandera; Richard Poirot, Wichita Falls; Kenneth Matak, Point Comfort; Robert Gomez, Yancey; Dr. E. L. Kelley, Utopia; Southwestern Bell, St. Louis, Missouri; Tourist Bureau, Gainesville; Paul Hanus, South Texas Chamber of Commerce, San Antonio.

Also, deer and bird leases, 1; leases given out, 69; lease requests, 13; others, 2; job orders, 4; job applications, 14; job referrals, 19; other, 27; TEC call in cards, 9; answer to call in cards, 4; rentals, 3; rental requests, 4; rental referrals, 8; other, 7; maps, brochures and post cards, 19; Salvation Army pickups, 5; other, 1; steer roping, 1; food stamps, 1; welcome wagon, 4; inter-office communications, 16; other requests, 13; 4-H Horse Show, 10.
